

MULTIPLY YOUR GIVING IMPACT

BYPASS CAPITAL GAINS

Through tax-advantaged giving solutions, you can *eliminate or minimize capital gains taxes* by leveraging your complex assets. This allows you to multiply the impact of your giving by giving more today and in the future.

WATERSTONE SOLUTIONS

With WaterStone solutions, givers can efficiently donate illiquid assets such as real estate, businesses, oil & gas interests, or even agriculture. This allows the giver to bypass capital gains taxes and receive a fair market value charitable deduction. Ministries receive more and advisors can grow these assets tax-free.
